At Akshara, I feel assured that my child is in safe hands and the teachers are very humble and supportive. Azadi ka Amrit Mahotsav celebrations with a lot of sports activities were much needed for the kids to break free post-pandemic. My child shows great ease in English speaking ability. More than anything POC at Akshara is immediate and immaculate!

AKSHARA LITERARY FEST

On the occasion of **CHILDREN'S DAY**
a literature festival was held celebrating the expressions of children- like drama, reading , story, music , art and responsibility towards the environment.

CALL TO SAVE THE ENVIRONMENT
This event was conducted by Ms Nita, an eminent person who educated students about the right way to dispose the plastic waste.

TUNE A TALE
This workshop was conducted by Ms. Renu, an erudite writer who shared the wondrous way to share a story using sound effects.

PAINT YOUR ART WORKSHOP
Paint Your Art Workshop was conducted by Ms Harini, a prolific artist, who displayed her art work and inspired the students to join her later on.

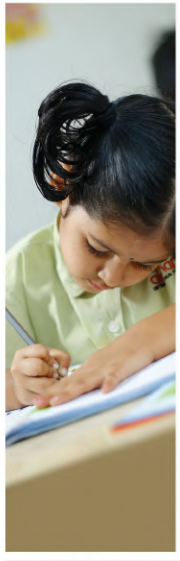
LIBRARY UNDER THE TREE
One of a kind library was arranged for students where students from various classes came and enjoyed the reading time with nature.

BOOKMARK DESIGNING
A session was arranged for students and teachers to witness a colorful range of handmade bookmarks by students of grades 3, 4 and 5 during CCA.

DRAMA WORKSHOP
A workshop by Ms Aarthi mesmerised students with multitude of expressions and emotions.

INTERNATIONAL DAY 2022

Being a citizen of the world is an internship, an enthusiastic and exuberant commitment. The students of Akshara have taken the event in a flash around the world making one feel the skin of each country of its prominence. Presenting the panoramic view of all countries ranges from its cultural, historical, scientific modern attributes was feasting to the eyes. We also issued a passport to Akshara venue to fly around the campus.



Oh My Friend

Standing by,
All the day,
Here to help you through all dismay.

A friend is someone we turn to,
When our spirits need a lift.
A friend is someone we treasure,
For a friendship is a gift!

I'll be there when you're crying
I'll be there when you're smiling.....
I'll be there when you're happy
I'll be there when you're sad.

I will be a friend
You can rely on
I will be the ledge
You can stand on

I will be everything
To make you achieve anything.

My School

My school
is beautiful and so cool
My teachers are so nice
They give knowledge and much advice
My school is so simple
For us, it is a heaven
In the morning we pray
Study there whole day
My school uniform
In the winter time, keeps me warm,
Many books are there in the library
Some we read, some we carry
Blessed with a playground
It has greeneries all around
We learn in the school
Where playing is learning

Beauty of Nature

Everything to nature
God gave us this feature
Birds chirp early in the morn
Makes it a beauty in life that no one can adorn
The River flow making a noise
So peaceful and serene is the voice
The sight of our landscape is beauty
While the bright moon is a sign of purity
Strong, Sturdy selfless trees
-And their soothing motion towards the breeze
from the ocean depths to the mountain Edges
Mother Earth always sacrifices
Our bond with the pristine nature
Is the whole and soul of Human's future
It's time to reflect the destruction
And help mother Earth for the reconstruction
Seems the nature is drastically healing
In order to regain our peaceful feeling
It's time to patch up the wounds
and then regain our Nature's healthy bonds
Nature is our golden beauty
And to sustain it, is our duty

आई है संक्रांति

नीले आसमान में, उड़ रही है पतंग
सब उड़ा रहे हैं, मित्रों के संग।
त्योहार का उल्लास है आया,
सबमें खुशियाँ है फैलाया।
तिल के मिठास को लेकर, संक्रांति है आई।
सारे गम भुलाकर, उत्साह है छाई।
हम तो छुट्टियों में पढ़ना भूले,
पतंग के संग मस्ती में झूले।
रंगोलियों से गलियां हैं रंगति,
हर घर की शोभा है बढ़ाती।
आई है संक्रांति, आई है संक्रांति

SHYAM LEARNS A LESSON

On a fine winter morning, Jaya rose out of bed, she gazed at her cabinet for a while till she came to her senses. She wondered what her son was doing. Just then a thought struck her. She started searching for her phone. She didn't find it. There was just one explanation for this. She went to the attic. She opened their old memories chest and found Shyam, her son and her phone too. He was gaming all night! "That's it! You're grounded" she yelled at him.

THE FEAR OF BEING WITHOUT A CELLPHONE IS NOMOPHOBIA, THE MOST COMMON PHOBIA NOWADAYS.

This happened an uncountable number of times; He would get yelled at. His father came home one evening from his office trip. Shyam was lying on the bed with a cooler in front of him and a cool, wet napkin on his forehead. He had been given soda glasses by the eye doctor as constant wear. He had learnt his lesson, the hard way.

WHY EDUCATE A GIRL

I am a girl,
Sturdier than you think,
Braver than you know,
and stronger than I show,
If I weren't there then there would be
Nobody existing,
For my education, Why are you rejecting?
To be something I want to,
To be someone I have to,
Being independent is something I need to do,
Now, let's say
ROSES ARE PINK
ROSES ARE WHITE
Let her Educate
for a future that's bright.

COLOURS OF BETRAYAL

First a mate; Then a friend;
After a while my best friend.

All was YELLOW
Bright, happy and mellow

The sky looked BLUE
Like the trust, I have in you.

But a hint of GREEN I see through you.

You might think a pleasant green
But in reality, it's JEALOUSY

You betrayed me without guilt
You stand tall walking across the hall

You seem like nothing happened
But at that moment; I wanna shout,
As the red in me bursts out.

You might think I'm not capable to
Say it;
But I chose not to do it.

So , I smile through pain
All of it mixed makes me plain-

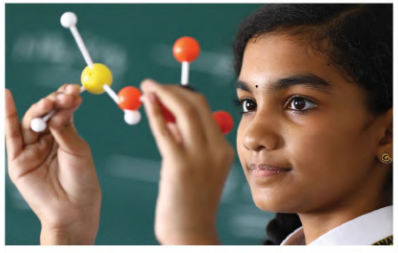
AKSHARA EDUCATIONAL POLICY HONING COMPLETE SCHOOLING

AEP is inspired by the core values of NEP 2020

Akshara follows the CBSE curriculum for all grades, the curriculum is aligned with the IB methodology in the Preparatory and Foundational stages of schooling. Akshara Education Policy (AEP) is an in-house innovative curricular and pedagogical structure aimed to strike a balance between academic excellence of the mind, social skills of the heart, Physical development of the body, and spiritual development of the soul. AEP is inspired by the core values of National Educational Policy 2020. *Akshara infuses traditional ethos in a progressive approach to equip our students with academic, social, and emotional well-being.*

Akshara aims to help students acquire competencies that unleash their intellect, equip them with the best attributes, and enable them to learn and grow intensively, we believe in building a strong foundation of learning, creativity, and innovation. The world demands conscientious and conciliatory citizens who can steer us through a more prosperous future. At Akshara, we mould students whose inherent humanity makes them bright beacons wherever they go!



AEP CONSISTS OF 4 LEVELS

- Foundational stage (3 to 8 years)- Nursery to Grade II
- Preparatory stage (8 to 11 years)- Grade III to Grade V
- Middle stage (11 to 14 years)- Grade VI to Grade VIII
- Secondary stage (14 to 18 years)- Grade IX to Grade XII

Vision is one of the most crucial attributes a leader can have because it provides momentum and direction. In order for leaders to be successful in pursuing their vision and enacting their strategy, they must couple their vision with persistent passion.

An effective leader's vision and enthusiasm should inspire, motivate, and engage students throughout the school. These characteristics, concepts, and values serve as the cornerstone of Akshara International School.

PLAYING IS LEARNING AT AKSHARA!

TREMENDOUS 10 YEARS OF AKSHARA

Playing is learning at Akshara. We have been evolving iconic academic and beyond academic programmes that foster a complete student persona in every Aksharite, with a vision to expand the ability to learn and go beyond the curriculum to identify the specific requisites of students. As a result, over the decade's journey, we fostered the world with entrepreneurs, techies, doctors, artists, sports stars, incubators of start-up companies, and students in top universities in the World as well as across India as successful independents from the house of Akshara International School from humble beginnings to mammoth monumental towers of success.

LADDER OF SUCCESS

It gives us immense pleasure to express our gratitude and appreciation to every Aksharite for their outstanding performance each passing year.

Akshara has consistently produced excellent CBSE Class X results, including 495/500 this year, as well as a plethora of A Grades in each subject and meritorious certificates from the CBSE Board for outstanding performance, gaining admissions to top universities such as IIT Bombay, IIT Kanpur, University of Delhi, and abroad universities such as University of Yale and Princeton...etc.

It is a revitalization of our scholastic zeal and fervour to return students to the shelves of board examination preparation after being relieved of the pandemic situation. We thank the Almighty for bestowing the choicest blessings on all of us with good health and wellness during such trying times.

In addition to a well-crafted and meticulously curated academic planning, the teachers were constantly on hand to assist every student who was diligently preparing for the Class X Board Examination.

My child Aarohi has been with Akshara International School since nursery grade in 2016, we are very happy with the school and now she is in grade 4.She loves coming to school. She developed all her skills with the help of teachers and the school environment. We look forward same support from the school in the future too.

Happy for a safe environment at school especially for girl children. The strict rules at school are making the child self-disciplined. Happy for the team culture as one family.

OUR EXCEPTIONAL TEAM

The Research and Development (R& D) Team of above 50 personnel each with a dedicated deployment at Akshara Centre for Excellence refers to the development of a new body of information concerning existing academic programmes, policies, and methodologies, as well as the development of an altogether new programme, style, approach, and execution. The sphere of research and development contributes significantly to the academic goals of the organisation. It notably designs the academic curriculum with applied knowledge, future goals, increasing inventiveness, establishing schematic evaluation, and viable assessment planning.

The R&D team focuses on comprehensive teacher training, innovation in teaching methods, developing new ideas, simplifying knowledge reachability to students, and enabling or impeding the effectiveness of branch-level self-managing teams. The qualified teaching staff, admin staff, support staff, security personnel and every member of Akshara strive towards educating every child with care, love, affection and principle of education.

THANK YOU PARENTS

We would like to express Our heartfelt gratitude to every parent who has contributed to the development of global champions with outstanding results at Akshara International School. Awaiting yet another historic accomplishment this academic year and all the years to come!

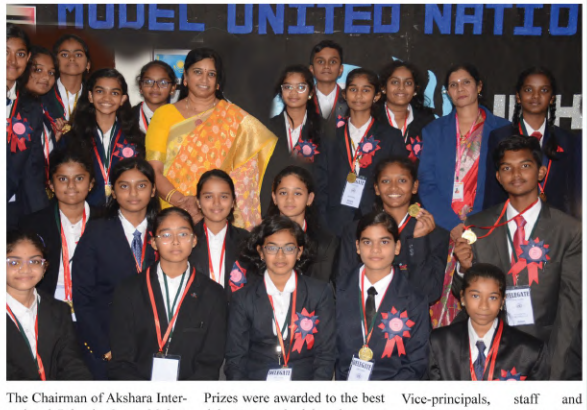
SUCCESSFUL SECOND EDITION OF THE AKSHARA MODEL UN CONFERENCE

The Second edition of Akshara Model United Nations (AMUN), an academic simulation of the United Nations, was conducted at the Akshara International School, Hyderabad. It was the first of its kind activity that promoted diligent deliberation amicably. Thirty-six delegations with 100 delegates from three committees participated in the three committees' one-day conference held on 03rd December 2022.

The event witnessed a multitude of resolutions from the delegates representing various countries. The three committees' part of the conference were DISEC (Disarmament and International Security Council), UNODC (United Nations Office on Drugs and Crime) and UNHRC (United Nations Human Rights Council). The agendas varied from nuclear weapons, Money Laundering, feminism, Terrorist financing, gender discrimination and violence against men and were debated, defended and delivered amicably.



The Chairman of Akshara International Schools, Jagan Mohan Rao, stressed the importance of intellectual discourses like the Model United Nations. Akshara International Schools CEO Madhan Mohan Rao emphasised that the holistic development of the students is the focal point of 21st-century education. Prizes were awarded to the best delegates and delegations as part of the closing Ceremony. As a token of appreciation, Chairman presented cash prizes to the best three delegates (Aarush Reddy, Jessy, Avanthika) of the Conference. Principal of Akshara International School, Ms Ramani Varanasi, Vice-principals, staff and students were among the others to have graced the Occasion.

Boxing academies in line

DC CORRESPONDENT
HYDERABAD, AUG. 29

World champion Nikhat Zareen will soon groom budding boxers as Akshara Educational Institutions plan to set up boxing academies on her name across their branches, which will be supervised by the star herself.

Arshanapally Jagan Mohan Rao, chairman of Akshara International School made the announcement on Monday after Nikhat interacted with students of the Akshara International School LB Nagar branch as part of the Meet the Champion program organised under the auspices of the Union Sports Ministry and Sports Authority of India (SAI).

Speaking on the occasion, Nikhat lauded the Fit India program introduced by the Central government. She said the program will benefit sportspersons as well as common players. She also suggested that everyone should allocate some time for exercise in their daily schedule. Also, nutritional deficiencies would be overcome if the diet is made up of specified nutritious food such as green vegetables, milk and eggs, and high protein flesh, the 26-year-old said.

Under Nikhat's leadership, more boxers from Telangana will represent India in the future. We will also seek the cooperation of the state government and SATS for this mission," said Jagan Mohan Rao, who is also president of Handball Association of India.

CEO of Akshara Schools Arshanapally Madan Mohan Rao, Principal Ramani Varanasi, Nikhat's father Jameel Ahmed, SAI coaches K. Bhaskar Rao, Chetan and Chandrakant also participated in the program.

PONGAL CELEBRATIONS IN AKSHARA INTERNATIONAL SCHOOL

(Capital Information)

Kukatpally, Jan 13 Makara Sankranti (also known as Pongal, Uttarayan, or Magh) is a festival day in the Hindu calendar, in reference to the deity Surya (Sun). It is observed each year in January. It is a harvest festival of Northern India and traditional importance. It marks the first day of the sun's transit into Makara (Capricorn), marking the end of the month with the winter solstice and the start of longer days. Being a festival that celebrates the solar cycle, it usually falls on the same Gregorian calendar date, Jan 14. The celebration of Sankranthi reached a crescendo as the students of Akshara International School, Kukatpally, came together and celebrated the festival in the school premises on January 12, 2023. On this festive occasion, the school staff set up a traditional mood village depicting the celebration of Sankranthi, festival i.e. Pulle Sankranthi (pulle meaning village). Toy Sculpture (Bommala Koluvu), Bullock Cart Ride (Eda Bandi), Storitie (Bhogi Mantalu), Kolatam, Uppin-Pindi and many more traditional games organized at the campus of the educational institution are a testament to our cultural traditions. The programme began with the recitation of a Ganapathi shloka by the students.

The significance of the four days, Bhogi, Makara Sankranthi, Kanuma, and Mukkanuma were explained in the form of a traditional song. Various cultural programmes depicted the significance of Sankranthi. Gobbiyatu, Basavanna, Harideasu, Multyala Muggulu, etc. The performance of Sodamma (fortune-teller) was the most popular attraction. Dressed in traditional costumes, the school organized several competitions in the spirit of the festival. The CEO, Madan Mohan Rao, congratulated each student for participating and appreciated the efforts and hard work of parents and teachers. Kshanaanam (sweet rice pudding), made from the new harvest, was made and distributed to all the students and staff members. The programme enthusiastically. The Sankranthi celebrations ended on a high note amidst the COVID-19 protocol.

Nikhat to start academies
World women's champion Nikhat Zareen will soon start boxing academies across Telangana in association with Akshara Schools. Speaking at Meet the Champion event organised by A. Jaganmohan Rao, president, Handball Federation of India, under the auspices of SAI at L.B. Nagar on Monday, Nikhat said the whole endeavour was to give the sport a major fillip in the State. "There are many young talent who are also capable of producing great results if given the right kind of support and encouragement at the right time."
Nikhat also appreciated the Fit India programme introduced by the Government of India. She said that nutritional deficiencies can be overcomed if the diet is made up of specified nutritious food such as greens, milk and eggs, and high protein flesh. She also suggested that everyone should allocate some time for exercise in their daily schedule. Jaganmohan Rao, who is also the CEO of Akshara Schools, hoped under Nikhat's mentorship, more boxers from Telangana would represent India in the future.
Akshara School Principal Ramani Varanasi, Nikhat's father Jameel Ahmed, SAI coaches K. Bhaskar Rao, Chetan, Chandrakant and others were also present.
